

I would like to suggest that membership fees be graduated according to the income of members, especially retired members who have to count all their expenses given their meagre pensions.

I would suggest:

For incomes unto 2500€/month: 40€ annually

Between 2500€ and 4000€: 80€ annually

Between 4000€ and 6000€ : 120€ annually

Above 6000€: 150€ annually

Best wishes,
